ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

42 June 14, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**RESOLUTION OF SUMMARY VACATION
FUTURE STREET WEST OF 50TH STREET WEST
IN THE UNINCORPORATED COMMUNITY OF QUARTZ HILL
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action will allow the County of Los Angeles to abandon an offer of dedication of road right of way (future street) west of 50th Street West in the unincorporated community of Quartz Hill, which is no longer needed for public use. The abandonment of the future street has been requested by the underlying property owners to enhance their property and provide an additional buildable area.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this action is categorically exempt from the provisions of the California Environmental Quality Act.
2. Find that the offer of dedication of road right of way west of 50th Street West has not been accepted and used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation and that it may, therefore, be vacated pursuant to Section 8333(a) of the California Streets and Highways Code.
3. Find that the offer of dedication of road right of way west of 50th Street West is excess and not required for street or highway purposes and that it may, therefore, be vacated pursuant to Section 8334(a) of the California Streets and Highways Code.

4. Find that the offer of dedication of road right of way west of 50th Street West is not useful as a nonmotorized transportation facility as required by Section 892 of the California Streets and Highways Code.
5. Terminate the offer of dedication of road right of way (future street) and abandon the County of Los Angeles' right to accept and open the street pursuant to Section 66477.2(c) of the California Government Code.
6. Adopt the Resolution of Summary Vacation.
7. Upon approval, authorize the Director of Public Works to record the certified original resolution with the office of the Los Angeles County Registrar Recorder/County Clerk.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to find that the project is categorically exempt from the California Environmental Quality Act (CEQA) and allow the County of Los Angeles (County) to abandon the offer of dedication of road right of way west of 50th Street West (Offer) in the unincorporated community of Quartz Hill, since it no longer serves the purpose for which it was dedicated and is not required for public use.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1). The abandonment of the Offer will result in added revenue through assessment and taxation and reduce the County's exposure to potential liability.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The abandonment of the Offer will not have a negative fiscal impact on the County's budget. The applicant has paid a \$1,500 fee to defray the expense of the investigation. This amount has been deposited into the Road Fund. The fee was authorized by your Board in a resolution adopted May 4, 1982, Synopsis 62 (Fee Schedule), and as prescribed in Section 8321(d) of the California Streets and Highways Code.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The area of the future street to be abandoned contains approximately 13,500 square feet and is shown on the map that is attached to the enclosed Resolution of Summary Vacation.

The California Streets and Highways Code Section 8333(a) provides that the legislative body of a local agency may summarily vacate a public service easement if the easement has not been used for the purpose for which it was dedicated or acquired for five consecutive years immediately preceding the proposed vacation.

The Streets and Highways Code Section 8334(a) provides that the legislative body of a local agency may summarily vacate an excess right of way of a street or highway not required for street or highway purposes.

Government Code Section 66477.2(c) provides "Offers of dedication which are covered by subdivision (a) may be terminated and abandoned in the same manner as prescribed for the summary vacation of streets by Part 3 (commencing with Section 8300) of Division 9 of the Streets and Highways Code."

The County's interest in the future street was acquired by Document Nos. 3751 and 3752, both recorded on June 30, 1970, and Document No. 3851, recorded on June 9, 1975, all of Official Records, in the office of the Los Angeles County Registrar Recorder/County Clerk as an easement for public road and highway purposes.

The Offer was never accepted by the County, no improvements were ever made to the right of way by the County, and this area has never been used for County highway purposes.

Mr. Carlos G. Sanchez, on behalf of the Yabito Group, the underlying property owners, requested the abandonment of the future street to enhance their property and provide an additional buildable area.

Adoption of the enclosed resolution and the subsequent recordation will terminate the County's rights and interest in the Offer. Your action will result in the property being unencumbered by the Offer and available to the underlying property owners for use without restriction of the Offer.

ENVIRONMENTAL DOCUMENTATION

This action is categorically exempt from the provisions of CEQA as specified in Sections 15305 and 15321 of the State CEQA Guidelines, which state that this class of projects consisting of minor alterations in land use, limitations, and actions to revoke entitlement for use, issued and adopted by the regulatory agency, have been determined not to have a significant effect on the environment.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This action will allow for additional property taxes through the elimination of the Offer.

CONCLUSION

Please return one adopted copy of this letter and one original and one copy of the resolution to the Department of Public Works, Survey/Mapping & Property Management Division, together with a copy of your Board's minute order. Retain one original for your files.

Respectfully submitted,
